ETLHIVE

Data skills for better tomorrow...

Master the Art of Full Stack Developer

ETLHIVE - Your Gateway to Success

ETLHIVE is a leading data science institute that offers comprehensive courses and professional programs to cater to the growing demand for skilled data scientists and professionals in the industry. With a strong focus on practical learning and real-world applications, we provide an ideal platform for individuals seeking to embark on a successful career in data science.

Our data science courses are meticulously designed to provide you with a strong foundation in data science concepts, tools, and techniques. Whether you are a fresher or a working professional, our courses cater to all skill levels and offer a seamless learning experience. Our expert instructors ensure that you grasp the fundamentals and gain hands-on experience in data manipulation, statistical analysis, machine learning, and deep learning.

Our History :

ETLHIVE was established with a vision to bridge the gap between the growing demand for skilled data science and data analytics professionals and the shortage of talent in the industry. Founded in 2013, **ETLHIVE** Institute has since become a leading institution in Pune and Mumbai, specializing in providing comprehensive training programs in data science and data analytics.

Today, **ETLHIVE** stands as a premier institution in the field of data science and data analytics in Pune and Mumbai. Its commitment to excellence, industry relevance, and student success has made it a preferred choice for aspiring data professionals looking to enhance their skills and advance their careers.

Why ETLHIVE

Practical Learning: Our courses emphasize hands-on experience, allowing you to apply theoretical knowledge to real-world scenarios.

Industry Relevance: We constantly update our curriculum to align with the latest industry trends and technologies, ensuring you stay ahead of the curve.

Experienced Faculty: Learn from industry professionals and experienced instructors who bring their expertise and practical insights into the classroom.

State-of-the-Art Infrastructure: Experience learning in a comfortable and technologically advanced environment, equipped with the latest tools and software.

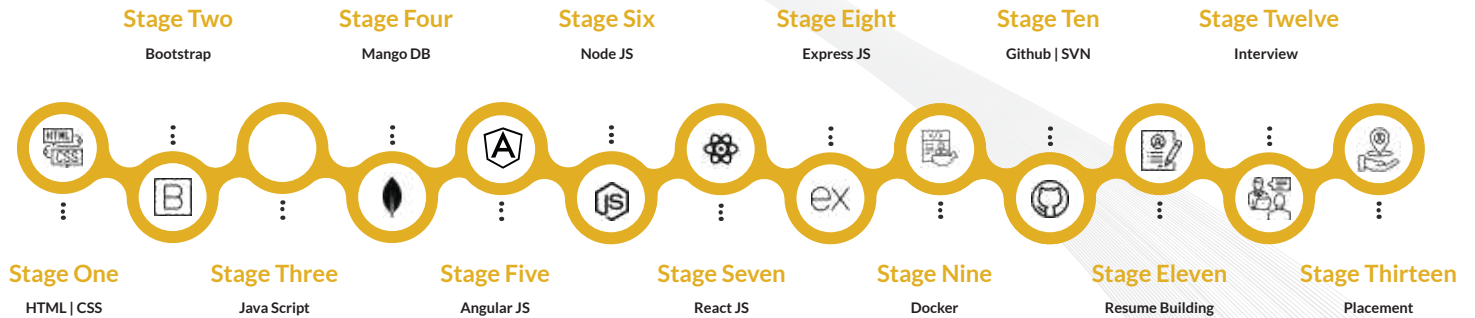

Comprehensive Curriculum: Our courses cover a wide range of topics, ensuring you gain a holistic understanding of data science and its applications.

Placement Assistance: Benefit from our dedicated placement assistance program, which aims to connect you with top companies and secure promising job opportunities.

Our Digital Business Model helps our customers steer away from a fragmented approach towards an integrated one, allowing them to scale their businesses positively and impact both their bottom line as well as top line.</p>

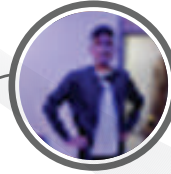

Reviews

“

Hello, ETLHIVE team!!! my name is Sumit. I have a strong background in science. I am currently enrolled in a course, which helped me get my first international certificate. Here, training is conducted completely practically. Vaibhav sir is a highly qualified and knowledgeable individual. If someone wishes to pursue a profession in the IT industry, ETLHIVE Wakad is, in my opinion, the best IT training institute in Pune. Recently, I cracked two interviews in MNCs with ongoing course. And got hired on as an intern. Really thankful to you both ETLHIVE and Vaibhav sir. Your support and guidance have been incredible. ”

Sumit Goud

“

I am grateful for their efforts and would recommend ETLHIVE thane institute to anyone looking for a data science program with placement support. ”

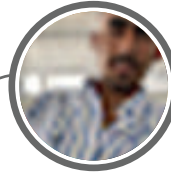

Luck Jaift

“

The hands-on approach of ETL Hive training in Thane allowed me to apply the concepts I learned to real-world scenarios, making it easier to understand the language. ”

Aryan Yadav

“

ETLHIVE fees are very low compared to others, as the same data analysis course is also available for lakhs with other organizations. In addition, they also provide 100% job assistance. ”

SHOBH SINGH

“

ETLHIVE provided 24*7 call support and also provided great job assistance with corporate training. And that's the reason I am very successful in the corporate world. Thank you for your support. ”

SUMIT Choudhary

“

What I love most is that the ETL hive educational institution provides support for students, which is available 7 days a week. When I have a query, I call them and discuss it with data science online course professionals. ”

Himanshu Trivedi

“ I want to express my sincere gratitude to ETLHIVE for a wonderful training session. The discussion was highly educational. The course materials were also incredibly fascinating. My trainer has tremendous knowledge. They provided me with clear answers to all of my questions. ”

Aman Gwal

“ My teacher did a great job delivering knowledge to me and my co-mates. I'm very grateful and also glad the journey through six months was amazingly beautiful one filled with lots of experience. I would recommend this to anyone who wants to start a career in Tech. ”

ANSHU SHARMA

“ The Ethlive Institute has made convincing advances. Trainer has extensive knowledge in this sector. The professors were knowledgeable and passionate about the subject matter, and they produced a terrific learning environment that was both challenging and supportive. ”

Punit Saini

“ IT had a fantastic course offered by ETLhive's data analytics training institute. Their extensive curriculum and competent instructors completely altered my analytical skills, allowing me to face real-world issues with confidence ”

URESH CHOUDHARY

“ I came to Ethlive Institute, I enjoyed it very much, I did not face any kind of problem and I liked all other institute. I liked the institute staff very much; they take good care of me and the way of talking is also best. Special thanks to you Vaibhav sir, their teaching way is too good. ”

Rituraj Yadav

“ ETLHIVE offers Course training in Wakad, Pune, and its online / offline course met everything I had expected and more. I was beyond amazed and impressed by my instructor, Vaibhav, sir. He is also very supportive, even though they also supported getting placed. I think their 100% placement assistance has changed my life. ”

RAHUL SARAN

“ My name is Tikam, good day. I have a lot of experience in computer engineering. I want to talk about my experience with the course I took. I enrolled myself in course. I succeeded in completing the course. With the proper guidance of my trainer "Vaibhav sir" my concepts got cleared. The best part was that throughout every class, my trainer kept us all updated. Individual doubts and queries were cleared. I appreciate their help and am grateful to ETLHIVE wakad and Vaibhav sir for making the course go successfully. I recently started my internship at a prestigious IT company. Highly Recommended! ”

Tikam Nagar

“ Hello, Myself is Rajendra and I am currently pursuing Post Graduation Program. It has been an intensive journey but very effective especially for beginners. I had a great experience with all the live sessions, quizzes and assignments. In Vaibhav sir's guidance I have completed multiple projects which gave me a different perspective for solving real life problem the curriculum has been well planned. Through this journey I have had help from Vaibhav sir and he have really been there to help for any kind of issues. I will highly recommend ETLHIVE to those who wants to switch their career or wants to pursue their career in coding. You will not regret it's really worth being a learner at ETLHIVE wakad and I am glad to be a part of this institute. ”

RAJENDRA CHOUDHARY

“

The ETLHIVE Institute in thane is a reputable institution that lives up to its promise of 100% placement assistance. They provided comprehensive training, focusing on practical skills and industry relevance. ”

Shivraj Chalawariya

“

I was a bachelor's student, but because of some responsibilities, I left my education in the middle. Due to an education gap, I was rejected in interviews, but after joining the ETLHIVE online course, I am now a working professional. I am really glad to have sir and other faculties of ETLHIVE. ”

Pooja Saxena

“

ETLHIVE is the No. 1 institute for online data science course. I did it practically after attending my theoretical online classes, and they also supported me in cracking the interviews for the job. I got placed as a data scientist in Chandigarh. ”

Gopal Suthar

“

I joined ETLHIVE during the pandemic and attended only 60 live sessions of the course. I missed around 10 live sessions of SQL due to my bad health condition. But sir gave me all those lecture notes, recorded sessions, and their personal guidance. I felt so privileged and recommend this institute to everyone without any doubt. ”

Rajesh Suthar

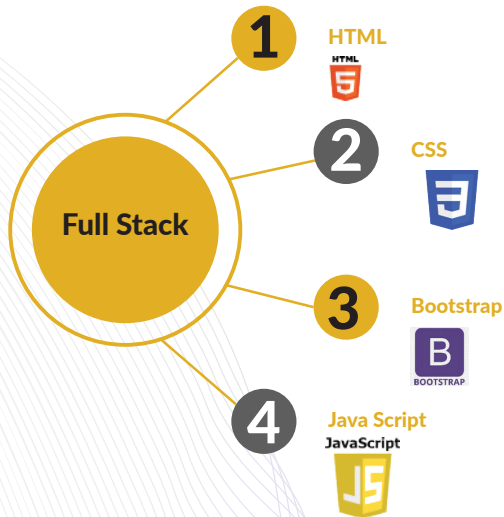

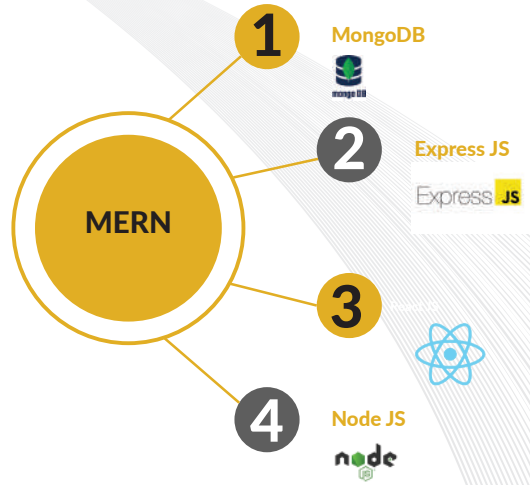

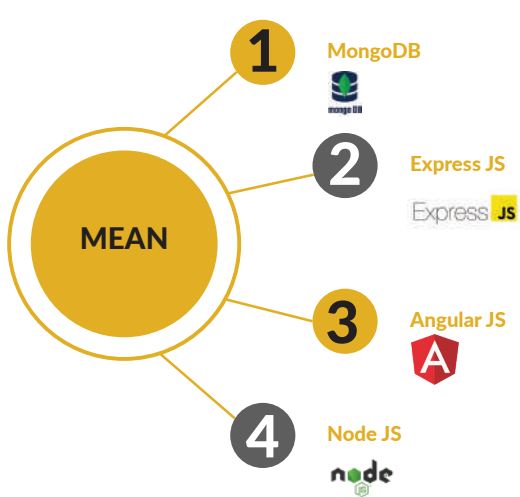

“

If you are planning to learn everything you need for a data science career, then ETLHIVE in Vashi, Mumbai, is the right choice for you! I strongly recommend this course to anyone who comes across it. ”
